

Here is the rap Karl asked you to learn

### **Rhythm And Poetry Anthem**

Rhythm and poetry R-A-P  
speak from the heart and be free  
We are intelligent we are smart  
We always finish what we start

You feed your mind when you read  
We work hard we will succeed  
we won't stop we won't give up  
We will keep rising to the top

You have two ears and one mouth  
Listen more than you speak out  
Words have power this I know  
I'll keep learning as I grow

Always listen to what's said  
Locks those facts inside your heard  
Always care for your friends  
Together there's nothing you can't mend

Love your family all the time  
Keep your home in your mind  
I hope your dreams do come true  
You know everyone loves you

Always have faith in your heart  
Be yourself and play your part  
just be brave don't be scared  
Make sure that you are prepared

Think of what you want to be  
Look to the future you want to see  
Don't let anyone hold you back  
Do not get pushed off the track
